Please join in praying the St. Michael the Archangel prayer after every Mass.

St. Michael the Archangel, defend us in battle. Be our defense against the wickedness and snares of the Devil. May God rebuke him, we humbly pray, and do thou, O Prince of the heavenly hosts, by the power of God, thrust into hell Satan, and all the evil spirits, who prowl about the world seeking the ruin of souls. Amen.

Rosary at St Mary's

Please join us for a Rosary at St. Mary's on Wednesdays at 5:30pm. Mary has requested through her visionaries at Lourdes that we pray a daily rosary for the conversion of Russia. Please contact John or Anna Mills if you would like to lead a rosary on another day/time/location. 970-328-4344

Are you a charitable-minded retiree planning your IRA withdrawal strategy?

Consider making a charitable donation to St. Clare or St. Mary's through a qualified charitable contribution (QCD). With the return of required minimum distributions for 2021, the ability to use QCDs still remains. The QCD gifting option allows charitable contributions to be made directly from an IRA to a qualified charity. Consult your IRA administrator on the proper procedures for making a direct contribution. If you have any questions, please contact your financial or tax advisor.

HELPING FEELS GOOD!!!!

We need more helpers:

As you may know, St. Mary's parishioners cook and serve for the Eagle Community dinner on the 2nd Monday of each month. These meals served out of the Methodist church, feed many individuals in need. Other churches and organizations sponsor the other Mondays of the month.

How it works:

Someone sends out an email about a week before our Monday with the menu for our Monday. Those receiving simply email back what they can bring. Then on the 2nd Monday you drop off your donation to the Methodist church around 4:30pm. You can stay and serve the food or not. You don't have to commit to help every month, just when it works into your schedule. Please contact Angela Lavelle, our parish administrative Assistant at (970)926-1070 to give her your email.

Community Dinner and Food Bank

We all experience tough times whether it be financial, emotional or social. There is help in our community. Every Monday at the United Methodist Church at 333 E 2nd Street, various congregations in the area sponsor a community dinner. All are invited and welcome to come and enjoy a home cooked meal with others from the community or take out food is available. The meal is served from 4:30pm to 6:00pm. This is also a time to receive food from the community food bank.

The Story and You™

Twenty-Sixth Sunday in Ordinary Time

That poor rich man. Not only could he, in his torment, not get a drop of water from "the other side," but he couldn't order Lazarus---now an eternity away from his malicious neglect---to get a warning to his brothers. The same goes for those complacent ones in Amos' day, eating their rich foods, whiling away the hours on their beds, but not "made ill by the collapse of Joseph."

The two stories are really telling the same story. Amos was well aware that the gradual weakening of the kingdom of Israel occurred in concert with its attempts to cooperate with Assyria, their terrifying neighbor. Exactly as he prophesied, a full fifty percent of the inhabitants of Israel were either killed, or taken into exile, by the Assyrians in 722BC. In Jesus' parable seven centuries later, every day that the rich man ignored Lazarus, dying at his gate, only brought him (and his brothers) closer to their day of reckoning, and the great chasm that would forever keep them from ever knowing happiness again.

It's all about warnings. We appreciate the Amber Alerts, and even the apps that let us know there are police scanners ahead. But it's the warnings that we hear again and again that lose their ability to motivate us, as did the words of Amos to the Israelites, who, as he was writing, were within thirty years of never seeing their homeland again. Next week closes the 2022 Season of Creation, the annual ecumenical season of prayer and action for our common home. As the Feast of St. Francis draws near, we pray for the grace to act on the alarms our endangered planet is sounding.

How are you taking care of our common home?

Conozca al Equipo de la Campaña de recaudación de fondos de "Changing Our World"

Los Comités de Liderazgo y Construcción de las Parroquias del Valle han seleccionado a "Changing Our World, Inc.", como nuestro asesor de recaudación de fondos para nuestra campaña para construir dos nuevas iglesias: una en Edwards y la otra en Gypsum. La mayor parte de su trabajo está en el campo católico y son conocidos por su experiencia, flexibilidad y comprensión de la recaudación de fondos parroquial. Implementarán un plan probado en el tiempo que ha producido buenos resultados en otras Parroquias como la nuestra.

Anna Vallez, directora y asesora en sitio, nació, creció y se educó en el condado de San Diego. Tiene más de 25 años de experiencia y continúa desarrollando su exitosa carrera en liderazgo sin fines de lucro, desarrollando capacidad de recaudación de fondos y estrategias e implementación de campañas parroquiales y diocesanas. Tom Farrell, Director General, tiene casi 40 años de experiencia trabajando principalmente en el área de la filantropía católica. Desde 1985, Tom ha dirigido o Supervisado aproximadamente 1,000 iniciativas parroquiales individuales de recaudación de fondos y tres docenas de importantes programas de desarrollos diocesanos. Tom también brindó asesoramiento en varias campañas de educación católica, así como llamamientos a otras organizaciones religiosas. En total, ha recaudado más de mil millones de dólares para la Iglesia Católica. Se desempeñó como administrador durante ocho años en la Universidad Franklin Pierce en New Hampshire. Se graduó en Franklin Pierce y vive en Smithtown, Nueva York con su esposa, Ann Marie. Tiene dos hijos, Thomas y Daniel.

Jim Friend, Director General, aporta más de 25 años de experiencia trabajando con organizaciones católicas. Why Catholic Education Still Matters Service for the Common Good

Catholic schools promote service as an essential component of their curriculum. Many Catholic schools have service programs from kindergarten through twelfth grade. Higher education programs such as the Jesuit or Dominican Volunteer Corps promote service at the undergraduate and graduate levels. Diocesan organizations such as Catholic Family Services provide resources and help to people from all walks of life. Catholic school students learn that since community is at the heart of who we are, there are no strangers, only brothers and sisters in the Lord. We have a responsibility to respond to the needs of others because we are all part of God's family.

It has been a busy week here at St. Clare of Assisi Catholic School! The children are so happy to be back to school, the football and volleyball teams are practicing hard, and the staff is excited for all of the learning possibilities of this year. Over the summer, we have been able to fundraise nearly \$240,000 of our \$300,000 goal. Fr. John Mrozek even auctioned his beard for the cause and it raised over \$70,000! We are getting so close to our goal and I am confident our community will be able to cross the finish line on this campaign. Please continue to pray for the health and wellbeing of our school community as we go into the academic year. Thank you for all of your support in these difficult times! If you have not given a donation, I would ask you to prayerfully consider what you might be able to contribute.

Thank you and God Bless!

St. Clare of Assisi Catholic School, where students become saints and scholars.

Kindergarten "Kitchen Science"

Students learned about the importance of kitchen safety, the necessity for specific kitchen tools when carrying out certain recipes (measuring cups and spoons, spatula, whisk, aprons, etc), the value of teamwork, and about how great it feels to taste the fruits of one's labor.

We had a lot of fun and can't wait for what's next!
